EQUALITY POLICY

The Trust's aims are to ensure that all children within our schools gain a first rate education, develop the skills necessary for the next stage in their lives and are equipped with the personal values and attributes that will make them successful in a fast changing world.

The principle of Equality is fundamental to the Trust achieving its aims for staff, children and visitors. The Trust will ensure that all aspects of Equality are addressed in line with the expectations and directives of the Equalities Acts, through every area of the curriculum and all areas of school life.
